The hourly rate and other data shall increase yearly even over 30 years of experience.

These rates should be used regardless of the task of the professional hired, as long as they are certified athletic therapists.

* Year of graduation = 0

** For the clinical rate, we used the annual income divided by 60 spots per patients per week.

** A master's degree holder from a governmental establishment goes up two levels on the scale and a Ph. D. goes up five levels.

† In effect as of July 1st, 2023
†† In effect as of June 1st, 2024
