

EMPLOYMENT OPPORTUNITY

Certified Athletic or Sports Physiotherapist

Clinique RTP Performance in Saint. Lambert

Les Cliniques RTP Performance specialize in the prevention and rehabilitation of sports injuries, as well as strength and conditioning services for athletes of all levels. Our mission is to help athletes achieve their performance goals.

Driven by excellence, our clinics bring together healthcare and performance specialists to provide integrated, athlete-centered care. Our interdisciplinary team includes athletic therapists, physiotherapists, osteopaths, kinesiologists, strength and conditioning coaches, sports medicine physicians, as well as sport nutrition and mental performance consultants.

We are currently seeking a Certified Athletic Therapist or Sport Physiotherapist who is autonomous, dynamic, and detail-oriented to join our RTP team in Saint-Lambert and work with the **Champlain Cavaliers** varsity teams, as well as in the clinic.

This is an excellent opportunity to work directly with competitive athletes in a high-performance sports environment while collaborating with a highly dynamic integrated care team.

Your Role

As an Athletic Therapist or Sport Physiotherapist at RTP Performance, you will contribute to the prevention, evaluation, treatment, and management of sports injuries for Cavaliers athletes.

Primary Responsibilities

- Provide on-field medical coverage and first aid services for Cavaliers athletes
- Evaluate and treat athletic injuries both on the field and in clinic
- Complete reports and maintain athlete status updates
- Communicate athlete progress with coaches and members of the integrated care team
- Collaborate with the various professionals within the interdisciplinary team
- Supervise athletic therapy students in both clinic and field settings

Qualifications

- Certified Athletic Therapist or Sport Physiotherapist
- Minimum of one year of experience
- Current Sport First Responder certification
- CSCS certification or strength and conditioning experience is considered an asset
- Professional, detail-oriented, autonomous, and dynamic
- Strong organizational and communication skills
- Ability to work within an integrated interdisciplinary team
- Bilingual (English/French)

What We Offer

- Part-time position with the possibility of full-time opportunities in clinic or through additional contracts
- Competitive hourly rate and benefits based on experience
- Continuing education budget
- Collaboration with an interdisciplinary team of sports professionals
- Opportunities for professional growth and advancement within the company
- Dynamic work environment with competitive athletes

Start Date

- July 2026
- Varsity season begins in August 2026

How to Apply

Please send your CV and cover letter before May 27, 2026
(Extended deadline: June 3, 2026)

Applications should be sent to:

Victoria Robinson-Mozejko
